Who We Are

We are a data services company founded in 2012 based out of NYC. Our founders have over 25+ years of experience in the IT industry.

What We Do

We help our clients accelerate their Data Science, Business Intelligence, and AI initiatives to provide insights for better and faster decision-making consequences.

Why Us?

We approach our client's business as if it were our own and collaborate to unlock the full potential of it.

bonzo.ai

Our data science as a service platform for advanced analytics.

Over 100 completed cases in eCommerce, AdTech, Healthcare, & FinTech

www.aretove.com

24/7

Service at Any Time

Use our hybrid model for coverage 24 hours a day and 7 days a week.

Don't Spend a Fortune

We provide simple and cost effective solutions for complex problems.

No Last Minute Surprises

Who needs that? We present you facts that matter - on time.

BUSINESS INSIGHTS

Our leadership team brings together a wealth of experience in business management, consulting, technology and results-driven service delivery.

TIME TO MARKET

We have a startup DNA and understand the urgency of a faster time-to-market. We align our incentives with clients objectives and collaborate to enable the full potential of our clients business.

LEADERSHIP ENGAGEMENT

Our leadership is fully engaged at all stages of the execution lifecycle to ensure objectives are being met and goals achieved.

SERVICE EXCELLENCE

This is big for us. It doesn't stop with the final delivery. Post-delivery we work to sustain the project objectives to ensure our clients retain the competitive edge.
